It is understood the _____ (print student's name) must complete the assignments described above by the first day of the upcoming school year. These assignments will be collected and graded for completion. It is also understood that it is each student's responsibility to purchase his or her own workbook and this workbook will be utilized as a resource all year long. Help sessions will be provided in August to aid students in reviewing and preparing for the test that will be administered on the first day of school. Students can receive help by posting questions on the AP Calculus blackboard site, as well as by contacting Mrs. Parker (cparker4@wcpss.net) or Mrs. Bolden (mbolden@wcpss.net) via email.
