September 18, 2009

Hello, this is Tim Locklair with your weekly Golden Hawk message. We have had a great week! I would like to thank all of our parents who came out to our Fall Open House on Tuesday evening. I would also like to thank all of our wonderfully talented fine arts students who performed for us on Tuesday evening. Those students and their teachers did a great job!

Senior parents, please note that if your child has not taken their senior pictures, you can still schedule an appointment via [www.mylifetouch.com](http://www.mylifetouch.com) through November 4. November 4 is the deadline for pictures to be included in the yearbook.

Students and parents, don't miss out! Jostens will have the official HSHS class ring make-up day on September 22<sup>nd</sup> during lunch in the cafeteria. You will need a \$60.00 deposit to place your order. Extra order packets are available in the front office.

Your child's decision to enter college, technical or vocational school, military service or the civilian world of work is an important one. To help your child make that decision, we are offering ASVAB testing. The ASVAB is being administered on Thursday, October 8th, 2009 during 1st & 2nd blocks. Your child can register for the ASVAB in student services or pick up additional information by visiting our Career Development Bulletin board located beside Room 2510.

Parents please note that we **do not** have a 3 hour early release next Wednesday, September 23. We will be dismissing students at our regular Wednesday early dismissal time of 1:28 PM. High Schools that have SMART Lunches, or as we call it, HOT Lunch will only observe four 3 hour early release dates on October 21, December 2, February 3, and April 21. Again, we will be dismissing students at our regular early dismissal time of 1:28 PM next Wednesday, September 23.

Parents, you can always access the script of my weekly messages at the Holly Springs High School website.

Thank you for your support of the Golden Hawks! Have a great weekend!
